WHEREAS, pursuant to the State of Nebraska's Local Option Municipal Economic Development Act ("the Act"), the City of Bellevue ("City") created an Economic Development Program for the purposes of promoting economic development; and

WHEREAS, the Act requires that "*If, after five full budget years following initiation of the approved economic development program, less than fifty percent of the money collected from local sources of revenue is spent or committed by contract for the economic development program, the governing body of the city shall place the question of the continuation of the city's economic development program on the ballot at the next regular election*" (See Neb. Rev. Stat. 18-2718(5));

WHEREAS, after five full budget years following the initiation of the approved program, it has been confirmed that less than fifty percent of the money collected has been spent or committed within those five full budget years and the question regarding the continuation of the program shall be placed on the ballot for the May 10, 2022, election.
